ABOUT US

AWAY WANDERLUST

AWay Wanderlust is a Balinese-owned, family-friendly tour operator that focuses on an authentic, memorable, unique, real & raw experiences around Bali. Our team is composed of fun, adventurous and passionate individuals from around the regency in Bali who are obsessed with travel. We treat our guests like they are our family and we know that our guest will have a fun, safe, and unique experience.

We launched our company in 2020 as **AW** Collection Bali, a tour operator company that offers real and raw experience with the locals inspired by the beauty and culture of East Bali. In 2023, we rebranded to **A**Way Wanderlust to reflect our passion for travel and adventure. We registered our company under **PT. AWAY COLLECTION BALI**, a legal entity that supports our social and environmental initiatives.

OUR VISION AND MISSION

With a passion for Balinese culture that derives from our hometown of Karangasem, **AW**ay Wanderlust is here to deliver services from a rural community that are equivalent in quality to what is available on the market, but at an affordable price.

When we say we'll deliver the finest, we actually mean it. We sought a gorgeous village for the greatest services. We chatted with the residents in our village, and as a conclusion, we gathered various materials and conducted several trials to arrive at our unique choices.

Environmental Clean Ups

We work with our local teams in each destination to conduct local clean-ups. Whether it's removing trash from the shores of beaches or cleaning up the surrounding areas during the tour, our entire team is focused on reducing waste and protecting the environment.

Giving Back to Communities

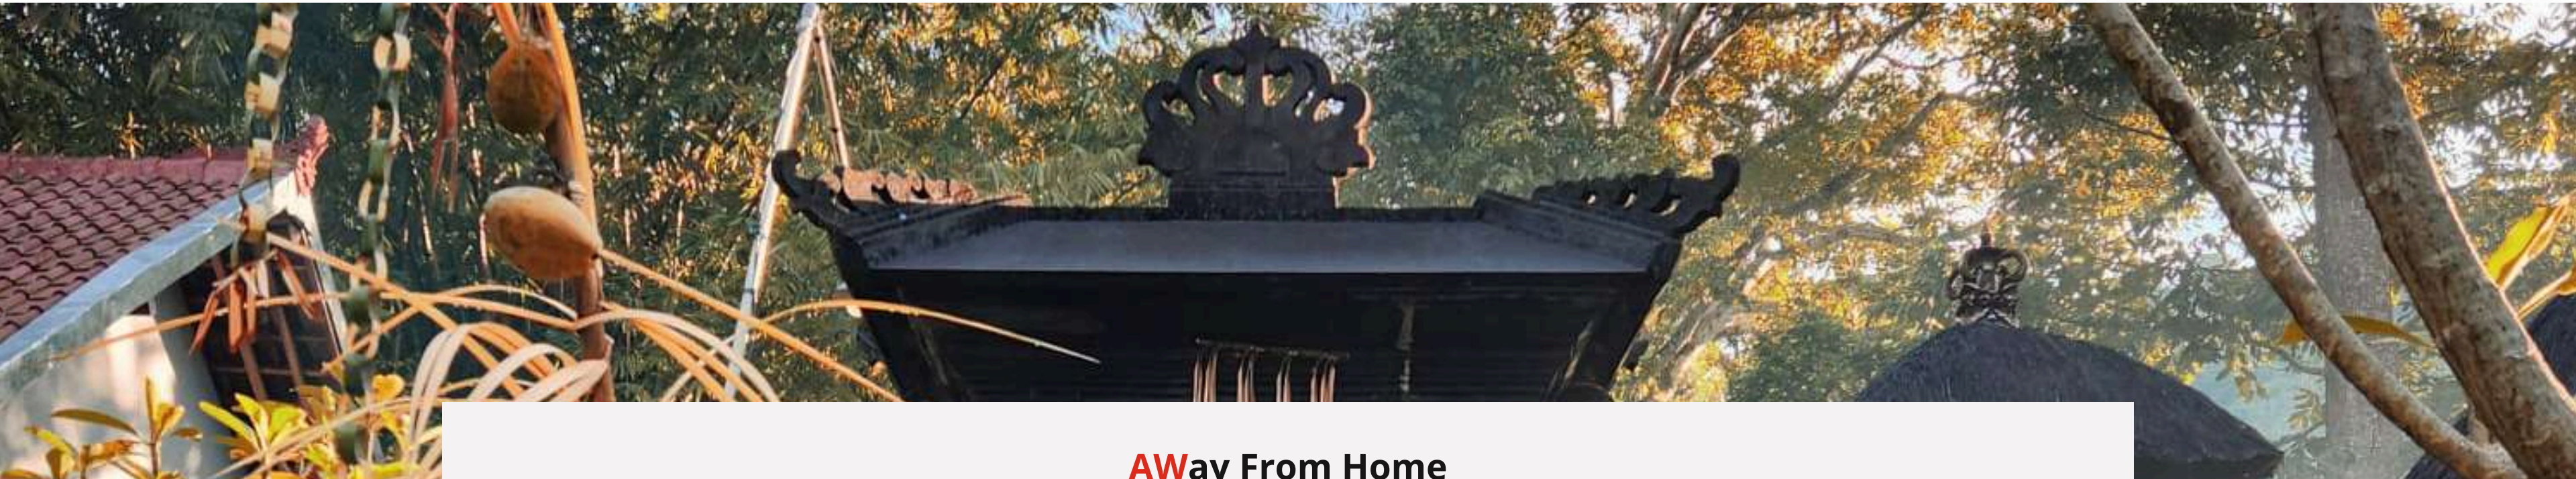

Whether it's buying school supplies for children, providing food for local villages or conducting local clean-ups, We always trying to help the community and continuously give back. We are constantly trying to improve our contributions every month.

Only Work with the Locals

Whether it's a local guide, local restaurant or local business, we ensure all of our partners in each destination are operated by locals to help spark the local economy and ensure the local communities benefit from every tour we operate.
